

# NCLGA JUNIOR COMMITTEE NEEDS YOUR HELP!

Scratch League  
Champions 2017!

## Volunteers wanted!

Our current Junior Coordinator is stepping down and we are looking for FOUR volunteers to each take on part of the role.

We now have nearly 80 juniors girls in the county so we have decided to split the role into four key areas to spread out the workload. We hope that will increase the number of ladies out there who might come forward to help support our junior girls within the county.

Please highlight this to anyone you think might be interested or has the right skills to help out with the roles described below.

### JUNIOR GIRLS

There are a thriving number of girls in the county. They are the future of our clubs so we should invest in their development!
