

Junior Enhanced Training Grant 2019

Applications for a Junior Enhanced Training Grant 2019 are available to amateur junior girls under 18 on 1st January 2019. It is aimed at developing potential talent so is not purely based on current ability and helps to allow girls to retain their current coach in addition to the county coaching opportunities. It could also be used to address a specific skill gap with a specialist coach such as short game, psychology or strength and conditioning if required.

Applicants should complete Section 1 of this form and then forward to their Professional coach to complete Section 2. Your Pro should then submit the fully completed form by Tuesday April 30th 2019. Enhanced Training Grants will be awarded in early May and must be used by the end of September, following which a feedback form must be completed by the applicant and submitted to NCLGA.
